

## Ways of Supporting Deep Springs with a planned gift:

1. Your will. Declare “Deep Springs College” as the primary recipient of specified dollar amount, accounts, or property, or a specified percentage of your estate upon your death. Consult with your attorney to commit a will or keep it current.
2. Your life insurance policy. For modest monthly payments, you may purchase a policy identifying Deep Springs as the recipient of a lump sum payment upon your death.
3. Your retirement account. Name “Deep Springs College” as the beneficiary of a specific retirement account and all funds remaining in the account upon your death will pass to Deep Springs without impacting the rest of your estate distribution. This is often the ‘smoothest’ way to effect a gift to the college. Contact the financial institution holding your retirement account to prepare the necessary designation forms.
4. Charitable Remainder Trust. Establish an annuity fund with a financial institution (such as Vanguard, Fidelity, Charles Schwab, or others). Arrange for annual payments to yourself from the fund, with Deep Springs named as recipient of all remaining funds upon your death. This method may have substantial tax incentives; consult with a financial advisor in your state to learn the best option.

For ease of identification, we recommend you include the college’s physical address and phone number in your beneficiary documents:

Deep Springs College  
Deep Springs Ranch Rd.  
Hwy 168  
Big Pine, CA 94513  
760-872-2000

Please note that notification of your bequest plan is not a fixed ‘pledge’. We understand that life circumstances can change over time, but we believe that making earnest plans now is the best way to ensure those contributions will be available when the time comes.

**We know that many in the DS Community would like to contribute more right now, but are unable to. This matching gift offers a great opportunity to ‘give’ now by planning to give in the future. Please support Deep Springs by completing the attached form and mailing it to our office. L.L. Nunn’s legacy – *“the most innovative college in the country”* – will be your legacy as well.**

Planned Gifts  
Deep Springs College  
HC 72 Box 45001  
Dyer, NV 89010

Please apply my planned gift to Deep Springs College to the following use:

**Wherever the need is greatest**  
(this option is most popular among alumni surveyed)

**Capital Expense Fund**  
(restricted for as-needed expenses such as equipment replacement and building repair)

**Endowment, Unrestricted**

**Endowment, Restricted**

(The Trustees of Deep Springs invest all endowment funds in a diversified portfolio including equities and fixed income assets and by policy spend no more than a specified percentage of the endowment to support operations each year. The current policy is to spend 5% of the average value of long-term investments over the previous 12 fiscal quarters. The distinction between Restricted and Unrestricted Endowment is that TDS may use more or less than the percentage specified by the spending policy from the Unrestricted Endowment when necessary to meet the educational needs of Deep Springs, while use of funds from the Restricted Endowment is limited by the spending policy.)

Please include me in the published listing of L.L. Nunn Society members.

I prefer to remain an anonymous member of the L.L. Nunn Society.
