Dyer, NV 89010-9803

Dear President Neidorf:

The Accrediting Commission for Community and Junior Colleges, Western Association of Schools and Colleges, at its meeting June 4-6, 2014, reviewed the Midterm Report submitted by Deep Springs College. The Midterm Report was certified by College leadership, including the chair of the governing board, the College president, and leaders of the faculty, staff, and student organizations.

Based on the College Midterm Report and the documentation submitted, the College has addressed improvement recommendations 1 and 2 and continues to meet the associated Standards.

Institutions are expected to meet Eligibility Requirements and Accreditation Standards at all times during the six-year cycle. It is expected that the changes and improvements noted in the Midterm Report will be sustained. This will be verified at the time of the next regularly scheduled visit. Deep Springs College will submit its Institutional Self Evaluation of Educational Quality and Institutional Effectiveness in preparation for the comprehensive review in **March 2017**. Please note that the comprehensive evaluations will be based upon the Accreditation Standards adopted in June 2014.

The Midterm Report submitted in March 2014 will become part of the accreditation history of the College. The Commission requires that you give the Midterm Report and this letter appropriate dissemination to your College staff and to those who were signatories of your Midterm Report. This group should include campus leadership and the Board of Trustees.

The Commission also requires that the Midterm Report and this Commission action letter be made available to students and the public by placing a copy on the College website. *Please note that in response to public interest in disclosure, the Commission now requires institutions to post accreditation information on a page no farther than one click from the institution's home page.*

Mr. David Neidorf

On behalf of the Commission, I wish to express continuing interest in the institution's educational programs and services. Professional self-regulation is the most effective means of assuring institutional integrity, effectiveness, educational quality, and student success.

Sincerely,

A handwritten signature in cursive script that reads "Barbara A. Beno".
