(The Trustees of Deep Springs invest all endowment funds in a diversified portfolio including equities and fixed income assets and by policy spend no more than a specified percentage of the endowment to support operations each year. The current policy is to spend 5% of the average value of long-term investments over the previous 12 fiscal quarters. **The distinction between Restricted and Unrestricted Endowment** is that TDS may use more or less than the percentage specified by the spending policy from the Unrestricted Endowment when necessary to meet the educational needs of Deep Springs, while use of funds from the Restricted Endowment is limited by the spending policy.) **Please check only one of the boxes below:**

Please apply my gift to **Unrestricted Endowment**

Please apply my gift to permanently **Restricted Endowment**
